

COMMUNITY USE OF SCHOOL BUSES

The school buses shall be considered school facilities available for community use as outlined in policy 1330, except that they shall be available for youth groups only. The cost for using the bus shall include: mileage and driver's fee per hour.

A full week's notice must be given before the bus is used for these purposes.

Upon the recommendation of the administrator, some or all of the above charges may be waived for good cause.
