

ENTRANCE AGE

For a child to enter Kindergarten, he or she must have attained the age of five (5) years on or before September 1 of the year of entrance.

Students attending school in another district or transferring to this district will continue in the same grade as long as requirements in Vermont State law are met (VSA, Title 16, Section 1073).

The effective date of this policy is August 1, 1993.
